Joining strip

Cast on 6 sts and work in g-st for 16 rows.

Making up

Cut 2 pieces of wadding, one for each matching pair of wings, slightly smaller than the wing. Pin each pair of wings (rs of each wing piece facing outwards) with wadding between them together. Hold wadding into place by sewing a few stitches carefully around edges of wing.

Right wing

Using circular needle and working through both wing pieces to join them together start at base of straight inner edge (at the start of the third panel of patt) of the wing pick up and knit 40sts from here to bottom wing tip, 4 across bottom of tip, 50 sts up outer edge and 30 sts from top of lace panel around top of wing to just before the top of straight edge of inner wing (above the third panel of patt). Turn and place eyelet lace behind work and knit into place around edge using one hole per st. Turn and cast off sts.

Left wing

Using circular needle and working through both wing pieces to join them together start just above the top of straight edge of inner wing (above the third panel of patt) and pick up and K 30 sts around top of wing to start of lace panel, 50 sts down outer edge, 4 across bottom

of wing tip and 40 sts up inner wing to just below straight edge (at the start of the third panel of patt). Turn and place eyelet lace behind work and knit into place around edge using one hole per st. Turn and cast off sts.

Sew joining strip between both wings sewing through both layers of wing in the lace-free straight edged gap.
